

Referral for Animal Chiropractic

I, Dr. _____, DVM as licensed in Minnesota have a working Doctor-Patient relationship with;

_____ (pet) who belongs to;

_____ (owner) and believe it would be beneficial for this patient to receive Chiropractic Care.

I understand Dr. Sanya S. Mortenson, is a licensed Doctor of Chiropractic, certified in Animal Chiropractic. She makes no veterinary diagnosis, but if a veterinary issue is identified during her care of this patient, she will refer back to me for further examination and appropriate care.
